

# CALUMET Baking Powder

Received  
Highest Award  
World's Pure Food Exposition  
Chicago, November, 1907  
What does this mean?

It means that Calumet has set a new standard in Baking Powder—the standard of the World.

Because this award was given to Calumet after thorough tests and experiments, over all other baking powders.

It means that Calumet is the best baking powder in every particular in the world.

And this means that Calumet produces the best, most delicious, lightest, and purest baking of all baking powders.

Doesn't that mean everything to you?
